VERSUS
PSALMORUM ET CANTICORUM

EXCERPTA

E RITIBUS SERVANDIS
IN CANTU MISSÆ

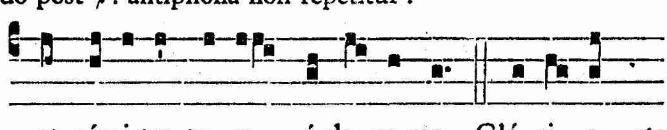

PRO ANTIPHONIS
AD INTROITUM ET AD COMMUNIONEM

Accedente sacerdote ad altare, incipiunt cantores *antiphonam ad Introitum.* Quae in feriis et festis simplicibus intonatur ab uno cantore, usque ad signum appositum *; in aliis festis et in dominicis a duobus; sed in solemnitatibus a quatuor, ubi cantores suppetunt. Chorus (vel schola) prosequitur usque ad psalmum. Primam partem versus psalmi, usque ad asteriscum, et ℣. *Glória Patri* ipsi cantores proferunt, versum absolvente universo choro. Postea repetitur, item ab omnibus, antiphona usque ad psalmum.

Si celebrans cum ministris introitum facit in ecclesiam per viam longiorem, nil prohibet quominus, decantata antiphona ad Introitum cum suo versu, plures alii eiusdem psalmi versus cantentur; quo in casu, post singulos vel binos versus repeti potest antiphona, et, quando celebrans ante altare advenerit, abrupto psalmo, si opus sit, cantatur *Glória Patri,* et ultimo repetitur antiphona.

Quando antiphona ad Introitum post versum psalmi resumenda est, terminatio ipsius versus sumitur a versu *Glória Patri,* si pro hac conclusione habeatur modulatio specialis. E. g. in Introitu *Ad te levávi :*

Quando post ℣. antiphona non repetitur :

Quando post ℣. repetitur antiphona :

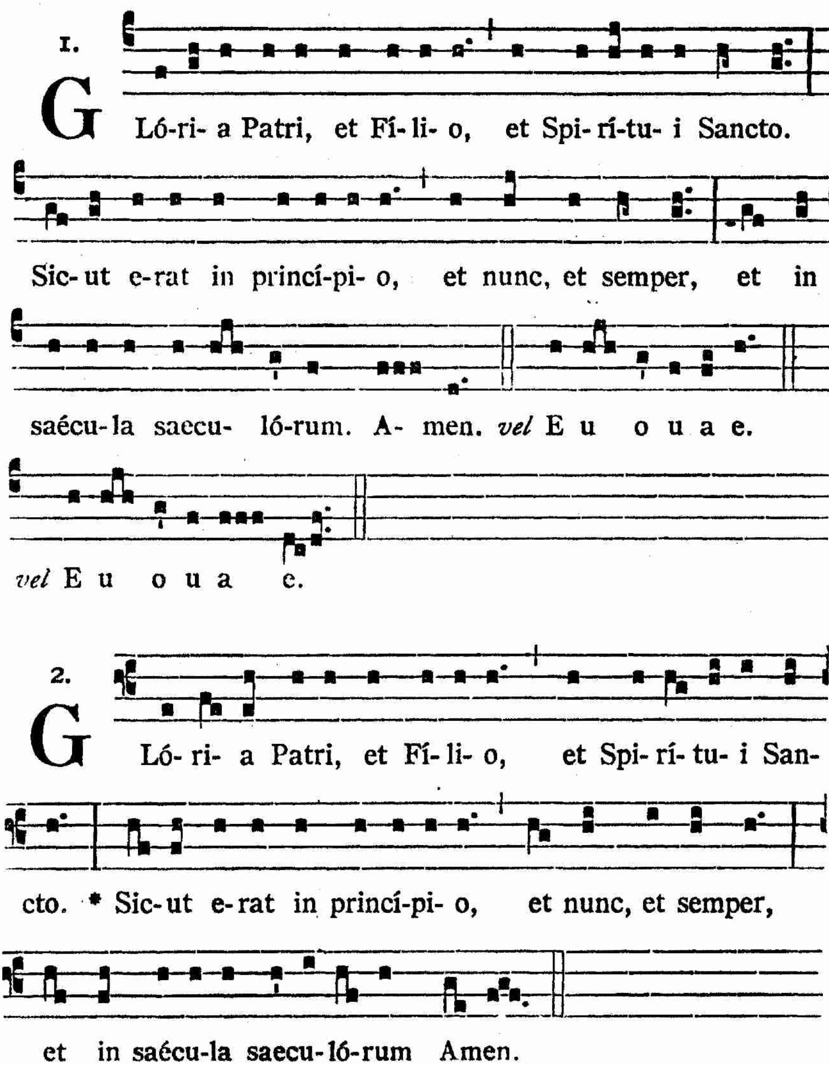

Antiphona ad Communionem intonatur ut supra de antiphona ad Introitum dictum est.

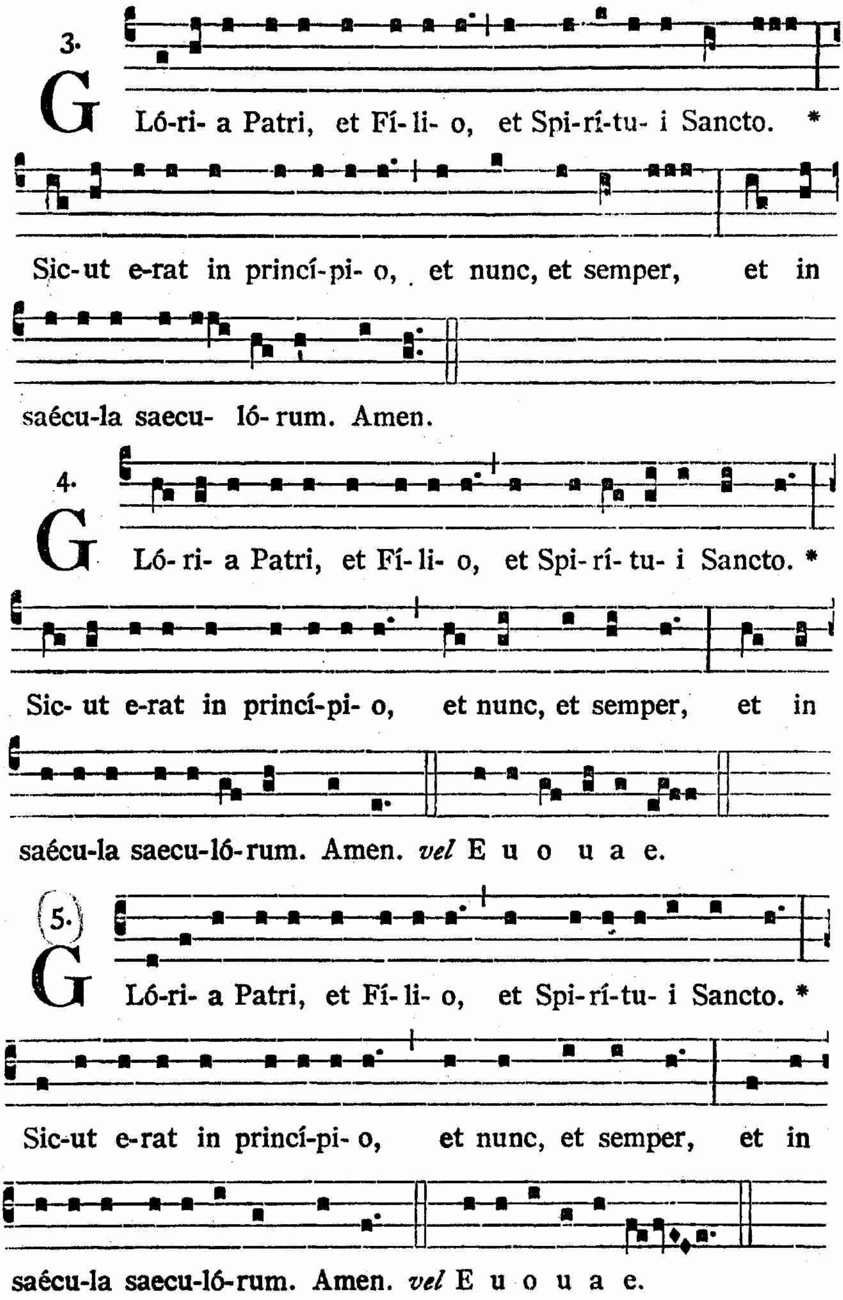

Hæc antiphona per se canenda est dum sacerdos celebrans Sanctissimum Sacramentum sumit. Si autem fideles communicandi sint, cantus eiusdem antiphonæ inchoetur dum celebrans sacram Communionem distribuit.

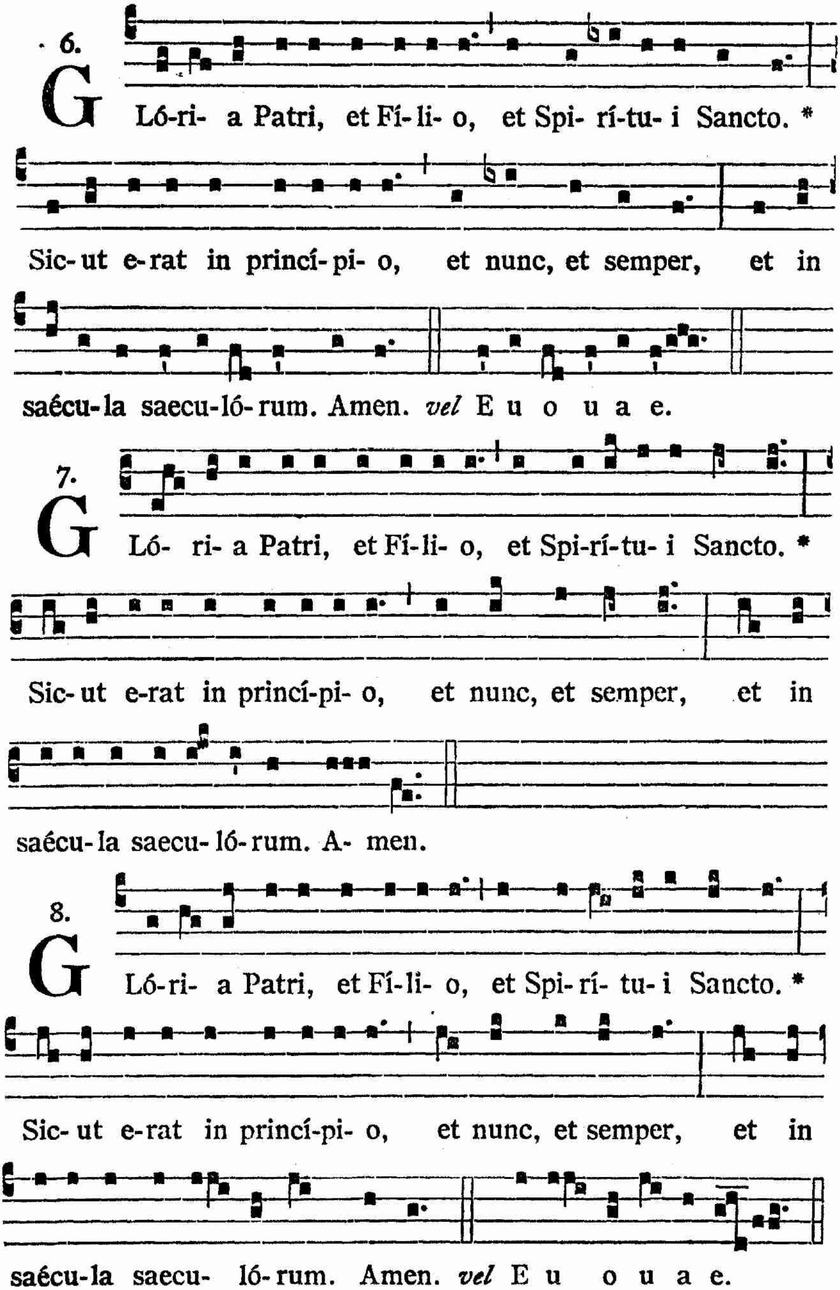

Si eadem antiphona ad Communionem e quodam psalmo desumpta sit, licet alios eiusdem psalmi versus decantare; quo in casu, post singulos vel binos versus, repeti potest antiphona, et, Communione expleta, psalmus clauditur cum *Glória Patri*, et repetitur antiphona. Si vero antiphona non sit de psalmo, seligi potest psalmus solemnitati et actioni liturgicæ congruens.

Expleta autem antiphona ad Communionem, præsertim si fidelium Communio diu protrahitur, licet quoque aliam cantiunculam latinam, sacræ actioni congruam, decantare.

INDEX COMMUNIONUM

The communion antiphons are listed alphabetically with the page numbers of the prescribed psalm verses. Where more than one communion is indicated on a page, a superscript distinguishes them. When the location of the psalm has been identified by a cross-reference, that reference appears in parentheses afterward; this allows the verification of the liturgical place in the old rite. For the few communions unique to the the new rite, the location of the psalm verses identified in the new books is indicated, when possible, in square brackets.
